

Genesis Poweronics India Private Limited

We are the eminent manufacturer, wholesaler, trader of DG Set, Diesel Generator, Power Generator, Mobile Generator and also service Provider of Generator On Hire and etc.

About Us

We have our own most modern and well- equipped manufacturing, wholesaling and trading facilities at **Jeedimetla, R.R District which is just 12 km.** We also a service provide of Generator On Hire, Generator Maintenance Services. Away from our corporate office which is located at Ameerpet in the heart of Hyderabad city. Both our manufacturing unit and corporate office are so located that they are easily accessible to our clients as well as our vendors.

It is out of place to mention here we are pioneers in the manufacture of AMF Panels suitable for any D.G sets and there by we have achieved a position of leadership in this field. We are a well established and professionally managed company with more than a decade of presence in the field of generator marketing, trading as well as in manufacturing activity. We were authorized dealers for Kirloskar brand D.G sets for entire Andhra Pradesh for more than 8 years prior to our appointment as OEMs for Ashok LeyLand D.G sets. After noticing our phenomenal growth during the last 8 years in the generator field and the infrastructure available with us M/s. Ashok Leyland Ltd., Chennai has awarded there OEM-Ship for manufacture and supply of their brand of D.G set for entire AP, Orissa and Chhattisgarh respectively in the year 2006.

Under the valuable headship of our guide, **Mr. Vani Sree** , we have attained such a distinct place in this sphere in short span of time. His intellectual business plans and...
